**THE LOGO REPRESENTS THE PROJECT IN ALL ITS ESSENTIAL ELEMENTS.**

The logo symbolizes the European union – to be found in the twelve stars representing the ideals of unity, solidarity and harmony among the peoples in Europe – as the source of the normative provisions, new procedures and coherent application concerning the Family and Succession Regulations. Identified in the prospective circles which are direct toward and in turn come from the “source” European Union. “Plus” as an approach in a project that is the fruit of a successful and further developed shared experience.

The conference intends to disseminate the results of the Goineu Plus project on the application of regulations 1103 and 1104 of 2016 on jurisdiction, applicable law, recognition and enforcement of decisions relating to property regimes of families, also in conjunction with the regulation on international succession 650 / 2012.

It is thus intended to make a significant contribution to the uniform application of Community legislation in an area of particular interest due to the current importance of migratory phenomena.
