- Foreign legal forms of cohabitation (presentation of your own system from the perspective of your own country).
- Foreign registers in the field of property law (from the perspective of your own country).
- How your country defines property law systems if there is no property agreement between the spouses / partners. Furthermore, does your country have a bilateral agreement with someone in such a subject?
- How does the existence of a property agreement affect the law applicable to property relations in countries that apply the regulations and also in those that do not?
- In the light of the above, can the matrimonial property situation be better planned in countries that are party to the agreement than in those that are not?
